**Re: Duke Energy Carolinas - Amended Project Development Application
Docket No. 2011-20-E**

Dear Jocelyn:

Duke Energy Carolinas respectfully requests additional time to comply with the Commission's requirement to furnish the Notice of Filing and Hearing in regard to the Amended Project Development Application to its customers. The Company intends to provide the notice in its upcoming billing cycle. Due to the time constraints involving printing and inserting the notice, Duke Energy will not be able to include the notice in the bills of customers who receive them early in February. For those customers, Duke proposes to include the notice in their March bills. We will be able to furnish the notice to all customers by March 4, 2011. We appreciate your consideration of our request.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.
